DIGEST SHEET

TITLE OF ORDINANCE: SPECIAL

DEPARTMENT REQUESTING ORDINANCE: PURCHASING

SYNOPSIS OF ORDINANCE:

An ordinance approving the award of Reference #831, with respect to the purchase of Water Meters, for the Water Maintenance and Service Department. Cost of meters reflect the lowest to the City per the specifications in that reference.

EFFECT OF PASSAGE:

Meters are needed to measure the amount of water used by each customer so that they are billed for their usage.

EFFECT OF NON-PASSAGE:

If the meters were not purchased the City would have to bill on a flat rate basis which would encourage unlimited usage. Unlimited usage would lower the profit margin as well as hasten the possible premature expansion of both the water distribution system and water filtration plant.

MONEY INVOLVED (Direct costs, Expenditures, Savings):

Badger Meter	\$227,077.60+/-
Rockwell International	\$ 80,622.80+/-
Kent Meters	\$ 15,620.00+/-

ASSIGNED TO COMMITTEE (President):
